The lands are said to be in the enjoyment of the parties without any payment to the temple for more than 12 years. In accordance with the recent decision of the High Court referred to in another case by the Land Judge, it seems that the acknowledgment by the D.C. recommended by the A.C. may be approved.

No. 90

SIR,

I have the honor to forward herewith copy of letter No.C.685-28 Muz.dated 19th November 1928 together with the file of vernacular --- papers from the Deputy Commissioner, Hassan District, requesting that sanction of Government may be obtained to make the needful alterations in the Revenue and Inam records in respect of the marginally noted -

and that the inam tenure of the latter was ordered to be cancelled by him and full assessment due to Government levied under the Land Revenue Code.

2. The reports submitted by the Amildar and the Sub Division Officer and the Deputy Commissioner's letter under reference explain the facts of the case in sufficient detail. The parties in question have been in adverse possession of the lands for the last 45 years paying nothing to the institution and hence there is absolutely no doubt that the 2nd proviso to Sec.10 of the Mysore Religious and charitable institutions - Regulation, 1927 applies to this case. The scope of the Chief Commissioner's Notification of 17th November 1877 is now restricted the -- alienations made prior to 31st January 1853 and consequently it cannot be made applicable to the case now under consideration. The order -- passed by the Deputy Commissioner in accordance with proviso (2) to -- Sec.10 is correct and I beg therefore to recommend that the Deputy --

Deputy Commissioner's proposal to make the needful alterations in the revenue and inam accounts may be approved.

I have the honor to be,

Sir,

Your most obedient servant,

Raj Narasimha Aiyangar
Assistant Commissioner
for Muzrai Commissioner.
(absent from station)

Letter No.C.685/ dated 19th November 1928 from the Deputy Commissioner, Hassan District to the Muzrai Commissioner in Mysore.

Re cancellation of Inam tenure of S.Nos.142 and 143 of Basavapatna, Arkalgud Taluk endowed to Sri Nanjundeswara Swami, at Nanjangud.

In enclosing herewith the records connected with the above subject, I have the honor to state as follows:-

S.Nos.142 and 143 of Basavapatna village, Arkalgud Taluk, had been endowed to Sri Nanjundeswaraswami at Nanjangud for Kambi service. In 1894 one Basamma of M Kambi Koppal, Arkalgud Taluk, complained that the lands were being enjoyed by her family, who were doing kambi service, that after the death of her husband she had leased out some of the lands to Kattalu Nanjappa, Kada Setti and Chandevara Setti about 10-12 years ago, that the heirs of the lessees were enjoying the lands unauthorisedly and had --- refused to give possession of the ^Alands to her, and prayed that the lands may be caused to be given to her possession.

The case had been under enquiry ever since, the lands having in the meanwhile passed from hand to hand, some of the present holders being purchasers from previous occupants.

Bhoganna, chandra Setti and Chikka Basetti who were examined ~~xx~~ on 4th March 1897 stated that they were enjoying the lands from father to son from a very long time, but that they did not know how they came by the lands. They, however, produced kandayam receipts beginning from the year Swabhanu () i.e. about 12 years prior to 1894, or about 46 years prior to the present period. They had no other documents.

Basamma was also examined, and she deposed to the facts stated -- in her petition.

The Inam Superintendent who was addressed in the matter in 1908 informed that the lands were confirmed in the name of the Deity at the time of the inam Settlement and that there was no objection for taking needful action according to rules.

Notices have again and again been issued to the persons in possession, directing them to deliver the lands to Government and the parties - have repeatedly ~~xxxx~~ represented that they are enjoying the lands since - a number of years, and that there was no reason why they should relinquish the lands which were their own and not the temple's.

At present, S.No.142 was reported to be in the enjoyment of Patel Vishakanta Gowda, Hanyal Naranappa, and Mr. Govinda Rao and S.No.143

with

with Chandavara Setti, Giriyamma, Patel Vishakante Gowda and setti. Of these persons Vishakante Gowda, Naranappa and Chandavara Setti have been examined in 1923 and they have refused to restore -- the lands. A letter was written in 1925 to Mr. Govinda Rao, retired Dewan of Indore to his address at Dewas, but on reply has been received.

It was also reported by the temple authorities that there was no records to show that the temple was at any time ^{receiving} ~~recovery~~ in, any benefit from the inam lands, and apparently the lands are being enjoyed since 10-12 years prior to 1894 by a series of persons, only on payment of the kadayam due to Government.

It is also seen from the records that kambi Devaru is not being worshipped now, and that kambi Koppal is at present a Becharak village.

As the records disclosed that this was a case in which the occupants had adverse possession of the lands for over 12 years prior to the -- passing of the Muzrai Regulation of 1927, in accordance with the proviso to Sec: 10 of the said Regulation, I have ordered that the inam tenure be cancelled and full assessment due to Government under the Land --- Revenue Code be levied.

I, therefore, request you to be so good as to obtain sanction for making the needful alterations in the Revenue and Inam accounts.

For Muzrai Commissioner.
